Please Note: TRICARE Policy Manual 6010.54M, Chapter 11, Section 3.1, states that in order for Mental Health Counselors (LMHCs and LPCs), and Pastoral Counselors (PCs) to be considered for benefits on a fee-for-service basis by TRICARE, the beneficiary/patient must be evaluated by a physician who provides a diagnosis and referral to the LMHC, LPC, or PC, prior to the start of treatment. A physician must also provide continued and ongoing oversight and supervision of treatment. Oversight and supervision documentation must be submitted with claims. Failure to follow this requirement may result in non-payment. Beneficiaries will be held harmless. It is the responsibility of the civilian provider (not the beneficiary) to ensure referral and oversight is obtained. Frequently military physicians elect not to provide the required referral and oversight, or may be willing to submit a referral but not provide ongoing oversight. ValueOptions may be able to assist with finding a civilian physician in these cases.
